

PARTS LIST			
ITEM	QTY	PART NUMBER	DESCRIPTION
1	1	Platform	Holds stationary base and stepper motor stage
2	1	Stepper Motor and Stage	Houses the stepper motor on far right and moving stage
3	2	Lids	Cover the bases to secure pins
4	1	Stationary Base	Stationary to ensure uniaxial stretch
5	1	Actuator Base	Connected to actuator for bidirectional movement
6	24	Dowel Pins	For holding PDMS membranes/well plates
7	2	L-Brackets (wide)	Attaching Stationary Base to platform
8	2	L-Brackets	Attaching Stationary Base to platform

All dimensions are in mm
